

THANK YOU!

A heartfelt Thank You to the following SCRTA members who faithfully donated to the Patron Fund, the Scholarship Fund, and the Teacher Grant Fund during 2020. Your generosity in donating during the troubling times of 2020 is greatly appreciated. The Patron Fund allows SCRTA to remain fiscally sound by supporting operating expenses. The Scholarship Fund enables junior and senior education members to continue financing their education. The Teacher Grant Fund will provide mini-grants for class projects. **Thank You One and All!**
