

## **Community Service**

**Mary Stewart, Chair**

**March 2021**

*“Without community service, we would not have a strong quality of life. It’s important to the person who serves as well as the recipient. It’s the way in which we ourselves grow and develop.” ~ Dorothy Height*

It has been a challenge to find ways to log in community service hours this past year. I did receive a few emails from members detailing hours spent volunteering at churches, Faith in Action, The Wilderness Center, The Board of Elections, the Palace Theatre, and America’s Boating Club among others. I’m sure many of you helped out with relatives and at other places needing assistance as well. We had a total of 795 volunteer hours reported this year. Those reporting were: Carole Eaton, Rick and Irene Rodriguez, Arlene Nussbaum, Bobbi Pugh, and Mary Myers. Thank you to all who served others this past year.

Please continue to help others as needed in our community. Hopefully, we will be able to meet again sometime this year.
